Welcome back Dakota Gold Gymnastics members and welcome aboard to all new members! The staff of Dakota Gold would like to take this opportunity to thank each and every one of you for your participation in the year ahead! We are very much looking forward to get started prepping for upcoming events!

We would also like to take this opportunity to address a few things kicking off the new season. First, we want to assure everyone that your child's steady progression, success, and happiness are our main goals here at Dakota Gold. It has been our policy to provide the best service for the lowest price possible, but as with everything, increase occasionally must occur in order to maintain a successful operating facility. This year you will notice some increases in membership costs, but want all of our members to understand that this is a necessary function of doing business to be able to provide everyone with a safe, well maintained, full scale facility. With steady increase in expenses in all aspects of club operation, a bump in pricing is inevitable at some point, this happens to be one of those years to bring membership up to match rising operating costs. It will allow Dakota Gold to improve our club to provide our clientele with the best facility and training aids possible, and to allow for maximum development of our members skills. There will be several projects taking place throughout the season with improvements to this facility and possibly adding some exciting new "additions" to our portfolio. We appreciate your loyalty and dedication to Dakota Gold and want to keep everyone excited, happy, and proud to be a part of our gymnastics family! With the support of our members, we will continue to strive to be one of the top gymnastics facilities in the area and provide the best services possible to every member of our club.

Again, thank you for your active participation and we are very excited to see each of you throughout the year ahead! We hope you all had a GREAT summer and wish you all success and happiness in the upcoming season!

Sincerely,

Melissa and Staff of Dakota Gold Gymnastics
